Industry responds to COVID-19

COG is helping our members deliver during COVID-19
“For the nuclear industry, Job 1 during COVID-19 is maintaining a safe, reliable electricity source to ensure hospitals, emergency services and the day-to-day necessities of life remain unaffected. This job isn’t just important, it is essential.”

Bruce Power donates $300,000 to local foodbanks
“During these uncertain times it is important that Ontarians can continue to count on Bruce Power to provide the electricity this province needs to power its hospitals, health-care facilities, clinics, and communities across Ontario. It is also important that our communities in Bruce, Grey and Huron counties can continue to count on us to support the many programs that help our fellow residents,” said President and CEO Mike Rencheck.
